I would like a call before extractions: Yes / No

If I do not answer my phone, please do extractions without a verbal consent: Yes / No

Authorize up to \$\_\_\_\_\_ amount in extractions before I need a phone call.

**Care Giver Notes:**

Arizona Spay and Neuter Clinic recommends that ALL Pet's that are getting spayed, neutered, & mass removals go home with an **E-COLLAR** so that they will not bother surgical sites. If you chose to decline e-collar you are assuming all risks/costs associated with repair of surgical sites. Feral cats do not need an e collar.

**I have received aftercare instructions and e collar info:**  
**Initials:** \_\_\_\_\_
